★ 5th July ★

Dear Noshi

Happy Birthday Noshi! 🎉🍰🎉

Wishing you a fantastic birthday and an amazing year ahead! 🎊✨

I hope this year brings you lots of happiness, good health, success, and plenty of unforgettable memories. Keep working towards your goals, enjoy every moment, and never stop believing in yourself.

Even though you're in Australia, I hope you have an awesome day celebrating with your friends and family. Eat lots of cake 🍰, take lots of pictures 📷, and make the most of your special day.

Have an incredible 17th birthday, little sis! Stay happy, keep smiling, and enjoy your day.

With love, Dada
